

THE PARENT  
CHILD CENTER  
OF TULSA

2013 Annual Report

## **Our Mission**

To prevent child abuse and neglect through education, treatment and advocacy.

# Letter from the Board President

## Bruce W. Heine

This is an exciting time for The Parent Child Center. We have a long history of providing services designed to prevent child abuse through education, treatment and advocacy in Tulsa and surrounding communities and 2013 solidified our foundation for the ability to serve more families in the future. Overall, we reached more than 57,000 children and parents this year with our programs.

During the past year, the staff at The Parent Child Center continued to expand services through our education, intervention and treatment programs. For example, one of our primary prevention programs, the Kids on the Block puppet show, enhanced its leadership position in the community by continuing to expand its reach to local schools and children.

While the work at The Parent Child Center has made a measurable difference in the lives of many families in our community, this would not be possible without the generous support from the Tulsa Area United Way and our foundation, corporate and individual donors. Over the past year, the number of individual donors supporting our mission increased. The Toyland Ball and Hope for the Children luncheon continue to expand opportunities for consistent and future supporters of our mission.

The Parent Child Center has also been blessed with an outstanding Executive Director who has built a very talented staff. It is this staff that has become recognized and respected by their regional and national peers as leaders in primary, secondary and tertiary prevention services.

The future of the Parent Child Center remains bright and our community depends on our services. Every member of the staff and Board of Directors is very active and focused supporting efforts which offer hope to the children and families we serve.

It is a privilege for me to support The Parent Child Center and to serve on its Board.

# Letter from the Executive Director

## Desiree Doherty

2013 was an exciting year at The Parent Child Center of Tulsa. It began with our signature event in January, Toyland Ball, which set a new record for funds raised and guests attending. Then PCCT and Emergency Infant Services opened an office together to better serve families in east Tulsa with basic needs and parenting education. Services are available for families with infants and young children under the age of 5. The East location address is 9910 East 42 Street, Suite 100 in the Tech Ridge Office Park.

We were fortunate to add another infant mental health therapist to meet the growing need for services in our Child Therapy department. We currently have three full-time therapists trained to provide Child Parent Psychotherapy (CPP), the trauma-informed relationship-based treatment of choice for young children who have experienced abuse or neglect. With this additional therapist we can now serve approximately 35 more children a year and their caregivers.

We continued to educate more children through our Kids on the Block puppet program in Tulsa area schools. In 2013 the Kids on the Block performances reached over 45,000 children.

These are just a few of the highlights of 2013 and these accomplishments are not ours alone. Those in the Tulsa community who support PCCT share in our success as an agency. Because of the fabulous support of private foundations, corporate donors, individual donors and volunteers, we are able to make a difference for vulnerable children and their parents in our community. We continue to be amazed at the generosity of our donors and are so appreciative of your support The Parent Child Center of Tulsa.

## Guardian Angel Lisa Antry

The Guardian Angel Award honors an individual whose commitment to The Parent Child Center of Tulsa has made a significant difference in our mission to strengthen families and bring hope and healing to vulnerable children who are at risk for, or victims of, child abuse and neglect.

For more than a decade, Lisa has invested in PCCT as a donor, volunteer and advocate. Lisa was an active member of our Board of Directors from 2003 to 2009, providing leadership in Finance, Fund Raising and Public Relations. Lisa co-chaired Toyland Ball 2008 and laid the

foundation for its growing success. Lisa has also been instrumental in introducing the agency to numerous others who now support our work and help us meet greater community needs.

Lisa and her husband, Steve, are members of the Circle of Hope Society and, in 2012, they presented the Circle of Hope Leadership Gift, inspiring others to join them in supporting the work of The Parent Child Center.
