

## THANK YOU

*Donors and Friends!*

*In 2018, there were 2,685 confirmed cases of child abuse and neglect in Tulsa County.*

**TO ADDRESS THIS CRITICAL COMMUNITY ISSUE, OUR AGENCY REACHED 76,502 CHILDREN AND ADULTS THROUGH THREE LEVELS OF CHILD ABUSE AND NEGLECT PREVENTION SERVICES.**

In addition, we reached 10,251 people in the community with information and education regarding prevention of child abuse and neglect and our services.

We could not accomplish this without the support of our Tulsa community, and the generosity of our donors and friends. For a listing of our 2018 donors, please visit our website.

### CLIENT TESTIMONY

*"Thanks to The Parent Child Center of Tulsa, I have exceeded my goals in life and have become the best mother I can be. I want to tell everybody that if it were not for PCCT, I probably never would have made it through. They gave me the strength and hope to wake up every morning to fight for the new life I have."*

- Miranda, PCCT Client

## PREVENTION THROUGH THERAPY

Our therapeutic services provide counseling support to families when there is an allegation or pattern of abuse and neglect, or when children have experienced trauma. The goal of these services is to prevent future incidences of abuse and/or neglect in the current generation and stop the cycle of abuse across future generations.

A statistically  
significant number  
of children  
increased in HOPE  
while participating  
in the intensive  
treatment  
associated with  
child therapy at  
PCCT.
